My jour-ney on earth had to come to an end

Thanks for the good times I shared with good friends I've felt so much joy, and at times there were tears, but I

know God was with me through all of the years I'm blessed for the life that God

gave me to live I knew that I gave ev'-ry-thing I could give To those that I love, there's no

fi - nal good-bye I will see you a-gain in the glo - ri-ous sky I will rise like an ea-gle and

soar past the sun On the way to the Fath-er, the most Ho-ly one There with Je - sus my Sa-vior a

new life a-waits I will rise like an ea-gle to hea-ven-ly gates

Now here in hea-ven, al-though we're a-part, I know I'm still with you, a - live in your heart Al-

- though you can't see me in all that you do I'll still be watch-ing and pray-ing for you

I will rise like an ea-gle and soar past the sun On the way to the Fath-er, the

most Ho-ly one There with Je - sus my sa-vior a new life a-waits I will rise like an ea-gle to

hea-ven-ly gates I will rise like an ea-gle to hea-ven-ly gates
