Moderately with rubato

No Christ-mas card could ev-er hold the words I long to say No

Christ-mas dec-or-a-tions shine too bright in their ar-ray What I wish for you is clear It's hap-pi-ness through-out the year and

peace and joy with ev'-ry pass-ing day As Christ-mas choirs lift their voice in songs the world should sing and

peo-ple rush through all the stores in search of ev'-ry-thing The sea-son would-n't be as bright the time just would-n't seem as right with-

- out the love and car-ing that you bring As child-ren play in drift-ing snow some-how I want the world to know the

bless-ings of your gifts you glad-ly give      Your dan-ces flow in gen-tle grace your smile could bright-en an-y-place and

make the world a nic-er place to live      So now I want to thank you for the gra-cious things you do and

tell you just how much you mean to more than just a few      May God bless you ev'-ry-day and from my heart sin-cere-ly say a

ver-y Mer-ry Christ-mas to you
